CANCER SPECIALIST.

THE RICHEST MAN ON EARTH.

The discoverer of the Combination Oil Cure for Cancer, Tumors, Ulcers, Piles, Catarrh and Skin Diseases, DR. BYE, has closed the most rigid test ever given to man—the four hundred test cases, all cured since last February. And now the committee of physicians who acted as judges say he will be the wealthiest and greatest humanitarian of the nineteenth century. The doctor refuses to take a much needed rest, but will personally superintend his associating physicians, who will inject and apply the soothing, balmy oil in several leading cities of the world. He will claim this as his home office and keep the humble apartments where he gave to the world the only relief from certain death from Cancer and Malignant Diseases. Portsmouth building, Kansas City, Kas. Take Elevated or Cable railroad going west from depot.
